Welcome to the ADT Family. You’ve made a smart decision in choosing ADT as your home security provider. Your safety and satisfaction are our top priorities. Below you will find a step by step description of how to read each section of your bill.

1. **Account Number**
   This is the number that ADT will use as a reference when speaking with you about your account with us.

2. **Payment Due Date**
   The date your payment is due and to be received by ADT. You can expect to receive your bill 15 to 20 days before the due date.

3. **Total Amount Due**
   The full amount due on the account. Any payment arrangements are not reflected in this balance. Your first bill may reflect remaining installation fees if applicable, or may be prorated based on your date of install.

4. **Service Address**
   The address where your ADT system is located.

5. **Customer Knowledge**
   Helpful information on how to get your questions answered quickly.
